Company overview

Bay Transport Inc. is an asset-based transportation and logistics provider, family-owned and operated since 2005. Based in California with operations across the United States, we serve clients of every size with services tailored to their needs.

- Over 20 years of industry experience
- 15 trucks and 20 drivers, 2.1 million miles in 2024
- Asset-based 3PL: we own the trucks, trailers and yards
- 100% tracking on every shipment, origin to destination
- Drop trailers reduce loading and unloading times
- Trailers double as cost-effective extra storage

Core services

Freight transportation: Full truckload (FTL) and less than truckload (LTL) across the 48 contiguous states.

Dedicated drop trailers: Trailers staged at customer facilities for loading and unloading on their schedule.

Cargo storage: Sealed trailers held in gated, monitored yards in Union City and Stockton.

EDI and API integration: Electronic tenders, tracking updates and invoices.

Logistics management and consulting: Lane, schedule and capacity planning.

Past performance

960

Vander-Bend Manufacturing

960 full truckloads delivered to locations in California, Georgia and Kansas, December 2018 to September 2023. All shipments tracked with on-time pickup and delivery, no cargo damage and intact seals.

Total contract revenue: \$2,222,915.00

Reference: Operations Manager, Vander-Bend

30

Aeronet Road Transport

Storage for 30 full truckloads of medical supplies, with pickup and delivery arranged, July 2020 to March 2023.

Total contract revenue: \$1,027,840.84

Reference: GM, Road Transport, Aeronet
